28 I am afraid it is not possible to include Vet[y] Officers as members of D[t] Boards. The abolition of the Tgship does away with the need for the representation of Vet[y] interests in Tgship. As for D[t] Boards the Vet[y] Officers, with eventually have to be in the position of Servants of Local Bodies and as such not entitled to membership. The only Officer who is of sufficiently high status to be included as a member of a D[t] Board would be the Supt. Vet[y] Dept and he cannot be a member of 8 Boards. The Supt. Vet[y] Dept may however be given the privilege of addressing the District Boards on such matters when he considers it necessary to do so.

Sir,

In reply to your letter No. L. 7413-21/L.B. 125-23-1 dated 17th March 1924 in the matter of representation of the - Veterinary Department on the District Boards, I have the honour to state that according to the existing constitution of the District Boards' here, there are already 5 Ex-officio members out of the total number of 10 nominated members. An addition to the list of Ex-officio members will reduce the scope for nomination of Non-official members.

At the District Head Quarters, there is no officer of the Veterinary Department of sufficient standing to represent the Department.

It is the practice at present to invite Veterinary - Departmental Officers to attend the meetings of the District Board whenever their presence is considered necessary in discussing the subjects relating to that branch. In my opinion it is sufficient if suitable provision is made by the amendment of Section 18 (2) of the Local Boards and Village Panchayet Regulation authorising the Local Boards to invite officers of the Veterinary Department to attend meetings and address there.

Local and Legislative Secretary's letter No. L. 7413-21 L. B. 125-23-1, dated the 17th March 1924, calling for the opinion of the Deputy Commissioners of Districts and the Director of Agriculture in Mysore, in regard to the representation of the Veterinary Department on the District Boards.

2. Also the following replies received in response to the above:—

ORDER No. L. 7221-38—L. B. 125-23-11, DATED 9TH APRIL 1925.

From the replies received, it is seen that the Director of Agriculture and the Deputy Commissioners of Districts except those of Mysore and Kadur are in favour of the Veterinary Department being represented on the District Board. The Deputy Commissioner of the Kadur District is of opinion that it is sufficient, if suitable provision be made by the amendment of Section 18 (2) of the Local Boards and Village Panchayets Regulation authorising Local Boards to invite Officers of the Veterinary Department to attend and address at the meetings of the Board and the Deputy Commissioner of the Mysore District thinks that the proposal may be taken up for consideration when the District Board of Mysore is reconstituted in March 1926.

2. Government observe that as it has been decided to abolish the Taluk Boards, the question of the representation of Veterinary interests on Taluk Boards need not be considered and that as regards District Boards, the Veterinary Officers in the Districts will eventually have to occupy the position of employees of local bodies and as such will not be entitled to membership on District Boards. Government, however, consider that the Superintendent of the Veterinary Department may be empowered to attend meetings of the District Boards and speak on Veterinary matters, whenever he considers it necessary to do so, or when the Boards require his assistance.

3. Suitable action will be taken to amend the Local Boards and Village Panchayets Regulation.
